

COMPANY PROFILE

Gourav Luminaries Pvt Ltd

ABOUT US

Welcome to GOURAV Lights, a trusted Indian LED lighting brand since 1990. Our customers and partners know us for our superior-quality, high-performance products and elegant designs. We understand the power challenges in India and build our lights to successfully overcome those to best serve our customers. We are illuminating 8+ states and 200+ cities of India currently.

Our 82,000 sq ft manufacturing unit in Uttar Pradesh is equipped with latest machinery, gold-standard quality management processes, state-of-the-art R&D laboratory and highly skilled team of professionals. With ISO, BIS and BEE certifications and accreditations achieved, our products are safe and energy-efficient.

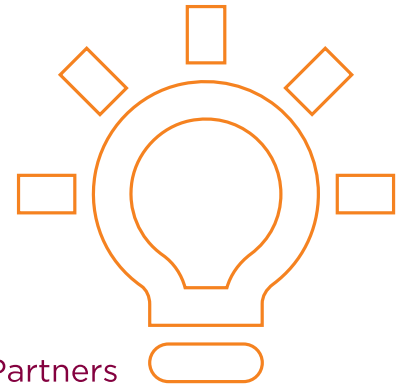

It brings us great pride and joy to light up houses, workspaces, industries, schools, hospitals, streets and cities of India. Our slogan 'Mera Gourav, Desh ka Gourav' resonates our pride in contributing to our country's progress. Our values - courage, commitment, celebrate and collaborate - continuously guide on the lit path of excellence. We are determined to illuminate and empower more and more lives.
